

## Booster Club Authorization to Use Roster Information and Likeness/Photo

The Flower Mound High School (FMHS) Boys Basketball website is an important way to keep our families informed and our community involved. As we add content to the website ([www.flowermoundbasketball.info](http://www.flowermoundbasketball.info)) we may include player names and numbers (roster information), team pictures, and individual action photos that identify members of the 2011-2012 FMHS boys basketball program.

The FMHS Boys Basketball Booster Club is asking your permission to use your son's likeness and roster information on our basketball website. Authorization to use pictures that include your son and his roster information is solely for use on the booster club website and does not authorize use for commercial or any other purpose. Please let us know whether we can use your son's roster information and likeness by completing and signing this form
